ACQUIRES KAR-CHÉ THE PROFESSIONAL CAREER CENTER IN MESA, AZ

LOS ANGELES, CA — Marinello Schools of Beauty, the West Coast’s largest and most successful chain of beauty schools, recently purchased Kar-Ché The Professional Career Center, in Mesa, Arizona. The acquisition of this innovative state-of-the-art facility brings the number of Marinello campuses to 41 and marks the school’s expansion into Arizona as the fifth state in which Marinello campuses are located, joining those in California, Nevada, Utah and Oregon.

Highly regarded for its state-of-the-art equipment, some of the most highly trained and qualified educators in the beauty education field, and a convenient location in Mesa, Kar-Ché The Professional Career Center is a progressive clinical education facility offering students the finest education in a sophisticated education environment, coupled with a creative open floor plan that creates the atmosphere of an attractive and upscale salon.

A combination of classroom and clinical training, the Kar-Ché esthetics program is extensive and exceeds the curriculum requirements for Arizona Sate Board licensing. Students will be involved in interactive education with the primary focus on results-oriented skin care. The hands-on program includes microdermabrasion, LED/Ultrasonic therapies, advanced chemical exfoliation, medical terminology and chemistry/ingredient knowledge. Small class sizes ensure that all students receive a high level of individual attention.

“ Kar-Ché’s mission, to provide the finest educational program in the skin care industry, makes it a perfect addition to the Marinello family of schools,” commented Dr. Nagui Elyas, President and COO of Marinello Schools of Beauty, “we are excited to combine this beautiful and innovative campus with its reputation for excellence in education, under the highly-respected Marinello name,” he added.
